### Special Notes:

The Saturday live stream services will conclude on June 13.  
The Sunday live stream services will continue indefinitely.

Anyone who is healthy is welcome to worship in person (regardless of age). However, if you feel your age or medical condition places you at higher risk, we do encourage you to

continue to worship online until you are comfortable returning to in-person worship.

Please note, the use of masks while in the building is strongly encouraged; however, it is not a requirement for worship.

If you are planning to attend in-person worship this weekend, please note that the State Blvd. bridge is out. If you are coming from the west, you will need to plan an alternate route.

## Spring Voter's Meeting

Due to several recent developments further complicating our ability to effectively hold an in-person meeting of the voters, the Spring Voter's Meeting scheduled for this Sunday, June 14, 2020, has been postponed. The Board of Directors will release further information for next steps in the coming weeks. They thank you for your patience, understanding, and prayers during this difficult time.
