A Word of Encouragement from the Pastors

Along with you, we are praying for an end to this virus so that we can resume those congregational activities that have been suspended or curtailed. In addition to our prayers, one of the practical ways we can help mitigate the spread of this virus is by wearing a mask while in the church building. Yes, we know that masks can be uncomfortable and annoying, but the health experts have told us that the wearing of a mask helps significantly in preventing the spread of the virus. So, please, if you are able, wear a mask while in worship and remember also to maintain a 6 foot distance while talking with one another. Wearing your mask and using social distancing helps keep everyone at ease, especially those that are having a difficult time during this pandemic. We appreciate everyone's effort in helping to keep St. Peter's safe.

Special Note - Construction

Construction continues on the utilities near our State Blvd. entrance in preparation for the new bridge. They have made a bit of a mess of the entrance this week, so please plan to enter the church parking lot from Maysville Road.

GROW in His Grace with Us

Vacation Bible School

This week we enjoyed a rather different style of Vacation Bible School. We missed the children greatly, but God's Word was still proclaimed.

If your family was unable to join us this week, it's not too late. The videos for the full week of VBS will remain active for 30 days (per the license agreement from Group Publishing). You can find quick links to all the videos here: [VBS Daily Videos](#).

We do have supplies left to make a few more activity kits. If you would like an activity kit, please email us at vbs@stpetersfw.org.

We would like to thank all who worked so hard to make this year's program such a success. Many hours were spent preparing the curriculum, assembling the activity kits, recording the lessons, editing the videos, etc. It was an incredible team effort.

Adult Bible Study

Sunday morning Adult Bible Study will be held in person and online starting at 9:15 am. The in person study will be held in the Cornerstone Room. Social distancing will be observed. Online Bible study will be available via live stream at the link below:
