The Lutheran Scholarship Granting Organization of Indiana (SGO) – Great news, effective July 1, the Indiana legislature greatly improved the income guidelines for both Choice scholarships and SGO scholarships! Many more of our school families will be eligible for these scholarships to assist them in sending their children to our school, which provides a high-quality Christian education.

Without getting too technical, it is important to know for these families to receive choice dollars from the state, they need what is called a “track” to qualify. This is why we give SGO scholarships to kindergartners that qualify. Receiving an SGO will allow those families that qualify based on income to then receive choice dollars the following year and every year after. With the increased number of families that will now qualify, we will have a spike in SGO need to provide a track to as many families as possible!

Not only does this program benefit our students, with every gift there is also a direct 50% Indiana State tax credit for the donor. Our members and supporters stepped up last year and contributed to St. Peter's SGO account at a goal-shattering pace of \$46,816. Best year ever, thank you so very much! Please consider joining the many families that are supporting this program. For more information, please contact our Principal Chris Brune, cbrune@stpetersfw.org. You can also go directly to the website, www.LutheranSGO.org to contribute, but remember to direct the donation to St. Peter's Lutheran School – Fort Wayne.
