NEW St. Peter's History Corner

St. Peter's is a church with a rich history we want to celebrate! To do so, the corner near door 1 at the bottom of the stairs will house a rotating collection of church documents, pictures, art, and memorabilia. We will be curating new displays throughout the year. Currently, you'll see the semi-permanent display of four pictures of our old and new church buildings both inside and out. Below are shelves and a cabinet which will be areas of presentation for different items. Before new displays are presented, we plan to share the upcoming theme with the congregation so you are able to participate by providing St. Peter's specific items in the theme to either donate or give "on loan" for the time the display is presented.

Upcoming Theme: Advent - Christmas - Epiphany

This first display will be ready to view before and after our first Advent service, Wednesday November 30th. If you have anything specific to St. Peter's history within the theme, please bring to the Church Office no later than Monday, November 14th. Please also include the name of the person or family providing the item(s) and if they are being donated to our archives or will be on loan. While we will try to display all items, some size restraints and focus of the theme may lead us to discern using some items for a different theme or other future display. We're really looking forward to celebrating our church history together!

GROW IN HIS GRACE WITH US

Attention College Students

As we are adopted into the family of Christ, members of the congregation want to adopt YOU during this big change in your life. If you are attending college or vocational school, whether locally or away from home, sign up to be part of this connection to your home church. Individual members or a small group of St. Peter's will commit to keeping you in prayer and sending you occasional notes, goodies and care packages. (Parents & Grandparents - feel free to sign them up on their behalf by contacting the Church Office to fill out an online form for you.) Church doesn't have to feel so far away. If you as a Congregation member would like to participate as an adoptee, contact Alicia Rodenbeck of the Family Life Team or call the Church Office.

Compassionate Care Collection

Shepherd's House

Sometimes it just feels good having something new to realize someone cares - like a new pillow, pillowcase or warm twin blanket (this month's collection). Being trapped by an addiction is tough. Shepherd's House mission is to return Veterans to be self-sufficient, employed, and empowered with a sober vision of hope for the future. Collection baskets are in the Ministry Center and North Corridor.

Social Ministry

LSSI Christmas Thanksgiving Opportunity

"In thankfulness to God for His indescribable Gift," our St. Peter's family will again have the privilege of sharing the love of Jesus by adopting 3 families through LSSI (Lutheran Social Services of IN). This year we have been led to set a goal of at least \$1,000 with confidence that God can do "immeasurably more than all we ask or imagine!" The details for how to contribute and for whom will be available in next week's News and Notes. Pray for thankful hearts and for God's grace to flow through us to these families!

Our Schools

Calling all parents and St. Peter's members!

Our school and preschool students are looking for someone to help keep them safe along the busy Maysville Road/East State intersection. As the mornings get darker, we are searching for volunteers to help our students in the morning from 7:40 am-8:10 am as they cross the street. We are looking for one person a day who would be willing to help us protect our St. Peter's students during these times. Whether you are interested in one morning a week, a few mornings a week or the whole week, please reach out! If you are available and interested in helping, please email Chris Brune or call the school office at 260-749-5811.
